Work History

2015-03
- present

Creative Director

HART Animation Studio, Kuwait City

Job Purpose:

Leading and shaping the artistic vision and direction of all projects within HART Animation Studio. This involves overseeing the creative process from concept through to final delivery, ensuring that the studio's projects are visually compelling, innovative, and aligned with client and audience expectations.

Key Responsibilities:

- Collaborate closely with artists, animators, writers, producers, and other departments to maintain a cohesive and high-quality creative output.
- Mentor and inspire the creative team, fostering an environment of creativity and excellence, while staying ahead of industry trends and emerging technologies to continually push the boundaries of animation.
- Develop and refine creative concepts, ensuring consistent style and quality across all projects.
- Manage timelines and resources, and provide leadership and guidance to the creative team to achieve the studio's vision.
- Engage with clients and stakeholders, presenting and evolving creative ideas to meet both artistic and business objectives.
